Professional Summary

Python Full Stack Developer with hands-on experience developing scalable web applications using Python, Django, Django REST Framework, React.js, and PostgreSQL. Experienced in REST API development, JWT authentication, third-party API integration, database optimization, and SaaS application development. Passionate about solving real-world problems and building efficient software solutions.

Technical Skills

Languages	Python, JavaScript (ES6), SQL
Frameworks	Django, Django REST Framework, React.js, Bootstrap
Backend	REST APIs, JWT Authentication, RBAC, Django ORM, MVC Architecture
Frontend	HTML5, CSS3, Responsive Web Design
Databases	PostgreSQL, MySQL
Tools	Git, GitHub, Postman, Hoppscotch, Docker (Basic), AWS EC2/S3 (Basic)

Internship Experience

Python Django Developer Intern

Pokak Technologies, Ernakulam	2026 – Present
Protech Hub, Ernakulam	2025

- Developed scalable RESTful APIs using Django and Django REST Framework for enterprise web applications.
- Implemented JWT authentication, Role-Based Access Control (RBAC), and optimized PostgreSQL database queries using Django ORM.
- Developed modules for Lead Management, Company Management, Onboarding, and SaaS-based applications.
- Integrated third-party APIs including WhatsApp, CRM, Meta, and Google services.
- Collaborated with frontend developers to integrate React.js applications and troubleshoot production issues.
- Performed API testing, debugging, feature enhancements, and participated in Agile sprint planning and code reviews.

Projects

Shopping Kart – E-Commerce Platform

- Developed a full-stack e-commerce application with authentication, product catalog, shopping cart, checkout, and order management.
- Built REST APIs, backend business logic, and PostgreSQL database models using Django ORM.

E-Hospitality Management System

- Developed a healthcare management platform supporting patient, doctor, and administrator workflows.
- Built REST APIs, implemented JWT authentication, and optimized PostgreSQL queries for improved application performance.

Education

MSc Computer Science, Kerala University	2023
BSc Computer Science, MG University	2021
Python Full Stack Development, Inmakes Infotech	2024
